

## About us:

We are a group of techno-commercial people having vast experience in the field of manufacturing and international commerce (exports) with a team consisting of engineers, pharmacists, science graduates, commerce graduates and skilled & experienced employees.

Manufacturing facility consists of well-designed hygienic plant, effective infrastructure and eco-friendly. It also consists of all types of amenities available within factory premises, such as research & development set up, testing laboratory, computerized administrative offices with latest communication facilities and transportation.

Our products are widely accepted in local as well as in the exports markets. We are offering all above mention items in the private label & customized as per the buyer's requirements & specifications.

Group has their own model set-up of research & development to formulate & manufacture on commercial basis, our team of experienced technicians, employees & associates are capable of meeting challenges of new frontiers all the time.

We at Kaizen Overseas sincerely believe that, to sustain consistent growth. It is absolutely necessary to constantly improve & innovate new products.
