Velē

Hair Care

Tulsi

Neem

Velē SHAMPOO

Neem

Ingredients:

- Neem extract, amla extract, brahmi extract, green almond extract.

Application:

- Make sure that you rinse your hair thoroughly with water before shampooing.
- Use lukewarm water to rinse your hair. The warm water will help open the cuticles of the hair so that the shampoo can penetrate deeper and remove dirt and oil from the hair.
- Avoid using shampoo directly on your scalp, instead mix it with some water. This will ensure that the shampoo spread evenly throughout your scalp. Wash with water completely.

Benefits of Neem

- Reduce the redness/inflammation of the scalp.
- Treats infections in the scalp
- Prevents premature greying.
- Treats the itchy scalp.
- Removes head lice.

Velē SHAMPOO

Tulsi

Ingredients:

- Tulsi extract, amla extract, brahmi extract, green almond extract.

Application:

- Make sure that you rinse your hair thoroughly with water before shampooing.
- Use lukewarm water to rinse your hair. The warm water will help open the cuticles of the hair so that the shampoo can penetrate deeper and remove dirt and oil from the hair.
- Avoid using shampoo directly on your scalp, instead mix it with some water. This will ensure that the shampoo spread evenly throughout your scalp. Wash with water completely.

Benefits of Tulsi

- Helps in curing scalp problems & reduces hair loss.
- Antibacterial and antiseptic properties of the active ingredient of the shampoo help to heal and soothe itchy scalp and prevents dandruff.
- Cleanses the hair and scalp of dirt, excess oil and dead cells.

COSMECEUTICALS

Ingredients:

Octinoxate, Avbenzone, Benzophenone-3, Benzophenone, Glycerine, Niacinamide, Methyl anthranilate, Octocrylene, Tocopheryl Acetate, Titanium dioxide (nano), Zinc oxide (nano), Preservatives q.s, Distilled water.

Application:

- Vele Sunscreen is used to protect the skin from the harmful effects of the sun. They help to prevent sunburn & premature aging (such as wrinkles, leathery skin). Sunscreens also help to decrease the risk of skin cancer & also of sunburn-like skin reactions (sun sensitivity). The active ingredients in sunscreens works by absorbing the sun's ultraviolet (UV) radiation, preventing it from reaching the deeper layers of the skin, and by reflecting the radiation.

Benefits of Sun screen cream

- Protects from harmful direct UV rays & skin burn.
- Keeps complexion even.
- Helps protect against the visible signs of premature aging.
